ABS70	BTrackS Balance Plate + Assess Balance Standard Software running 2 Test Protocols and 3 Training/Rehab Protocols: The BBT (BTrackS Balance Test), The Weight Distribution Posture Test and 3 Training/Rehab Protocols. Fall Risk Assessment is provided along with Age/Gender Percentile Ranking.	\$1,900.00
SBS30	BTrackS Balance Plate + Sport Balance Software: The BBT (BTrackS Balance Test) with Age/Gender Percentile Ranking. Typically used by Athletic Trainers and Sports Medicine Professionals in their concussion management programs.	\$1,500.00

Step 2 – Add a Carry Case if you will travel frequently with your BTrackS System

PRODUCT #	DESCRIPTION	PRICE
CC100	High quality carry case that accommodates the Balance Plate, the Foam and a Computer. This case is perfect to travel between offices, to local health events and can be checked as baggage for air travel.	\$150.00

Step 3 – Make sure you have a Windows Computer configured for the Software

You will need a Windows Computer to run the software. If you already have a computer – check to make sure that it meets our recommendations below. If you don't have a computer for BTrackS Software, we can recommend a cost effective Laptop Computer that is perfect for both testing and training. A larger screen is excellent for biofeedback training and an HDMI interface provides connectivity to a larger external monitor if desired.

BTRACKS COMPUTER SPECIFICATIONS		
Windows Laptop, Desktop or Tablet. Processor 2.0GHz or greater and Dual Core.	Operating System – Windows 10. 4GB of RAM and 128GB of Storage.	Must have USB Port to connect to Balance Plate.

Product Returns

Customers have 30 days from receipt of shipment to return products if they are not satisfied. Customer should contact Balance Tracking before the 30th day and request a return. Balance Tracking will provide a return shipping label at no charge. Once the product has been received, in good condition, a full refund will be issued.

Shipping

Balance Tracking charges \$40.00 to ship each BTrackS Balance Plate to a location in the contiguous 48 states. Shipping to Alaska and Hawaii is \$95.00. Shipping to destinations outside the 50 United States requires a quotation.
